
AL POZZO DI SOGNO

Join Zaccho Dance Theatre and 3rd St. Youth Center & Clinic for the exciting premiere of an original fairy tale, *AL POZZO DI SOGNO*, inspired by Ann Hamilton's Tower and commissioned by Oliver Ranch Foundation. Located in scenic Geyserville, in Sonoma wine country, Oliver Ranch provides exquisite surroundings to showcase this stunning aerial dance-theater performance designed for the eighty foot tower. Guests will be guided through a series of vignettes then led to the tower's spiraling staircase for the afternoon's highlight — a newly commissioned site-specific work by choreographer Joanna Haigood. A reception of fine food and wine will follow and is provided by Williamson Wines. All proceeds will benefit the work of two outstanding organizations both serving their communities from Bayview Hunter's Point — Zaccho Dance Theatre and 3rd St. Youth Center & Clinic.

SPECIAL NOTES

Oliver Ranch is not wheelchair accessible. Walking shoes and comfortable clothing are both recommended. Please arrive early as latecomers will not be admitted. Access to the event is by shuttle bus only. Parking will be located near the reception location —
